Hi Annie,

Sorry for the late reply. So are you thinking of an image like the attached as the backdrop (just an example)? Tala may have an actual image of the document former President Obama signed. I think she was at the signing ceremony. Anyway, I think the combination of the categories against the amended TSCA backdrop is a great idea. It will tie the science and the law together.

Todd

Happy Monday

Hope you met the deadline and had a good weekend. Did you get my VM about using the TSCA Section 5 as background to the two categories for the cover art? I am meeting with graphics tomorrow so need to know. Can you provide me a relevant background, e.g., the front piece of the act? Section 5?

Thanks

Annie
